CORE VALUES

Briarwood Women's Ministry believes all women, no matter their age or place in life...

Are Made with Purpose...

Women were intelligently designed & created with love with grand purpose by the one true living God and are co-reflectors of His image in mankind. Being important to God, they possess value and worth; therefore, they are important to all branches of this ministry.

Can Find True Purpose...

Discover that ultimate and true purpose for their lives upon entering a covenant relationship with Jesus Christ, God's Son, and by continually growing to be like Him throughout all of life. The insatiable quest for significance is realized upon discovering life's chief purpose is to glorify God in all things and enjoy Him forever.

Should Live Out Purpose...

All women who have a relationship with Christ are called to serve Him by serving others—carrying out His purposes through obedient living. Possessing the grace and forgiveness they have been given through faith in Christ, they make witness to the watching world by extending the same toward others in discipling and loving the members of Christ's body and sharing their faith with the lost. Following His call to not forsake the assembling of themselves together in corporate worship, they use the unique spiritual gifts they have been given within the fellowship of the local church body to which they have committed themselves as well as within their own family and community.
