

BRIARWOOD STATEMENT OF FAITH

CORE VALUES

Pervasive Grace

We believe that the basis of our relationship with God is grace through faith. We want Briarwood to be known as a "place of grace" where people are welcomed regardless of their past and feel love and encouragement, not condemnation. We want to consistently exhibit a spirit of hospitality.

Meaningful Worship

We believe worship should be God-focused and Christ-centered. We want our worship to be warm, personal and inspirational, engaging the mind, heart and will.

Concerted Prayer

We believe that everything we do must be supported by prayer. Our plans and best efforts are in vain unless we are cooperating with God wherever He is at work.

Purposeful Outreach

We believe that God is constantly drawing people to Himself and that He has called us to share the good news and love others into His Kingdom. We desire that every program and ministry have as its underlying purpose the goal of reaching those without Christ.

Faithful Obedience

We believe that God is stretching us beyond what is easy and comfortable and leading us to trust Him more fully. We believe that "without faith it is impossible to please" Him and we desire to be people who trust God for the big dreams and the little details.

Biblical Discipleship

We believe a healthy Christian life requires that a person never stop growing in the knowledge of the Word of God (the Bible) and its application to every area of his or her life. We desire to be relevant in our teaching and preaching while maintaining strict adherence to the truth of Scripture.

Enduring Excellence

We believe that God is deserving of our very best and that our service for Him is a reflection of our love for Him. We desire to exhibit excellence in every area of ministry.
